Improvement of the Sri Kalaseswaraswami Temple at Kalasa in the Mudigere Taluk -

From

The Chief Engineer of Mysore

No. 8948 Dated 23-8-17 Received 25-8-17

...ary No. 364	Enclos. 14 Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Submits for sanction an estimate amounting to Rs 38,128 for improving the Sri Kalaseswaraswami Temple at Kalasa and states that the Executive Engineer's report explains the necessity for the several provisions made in the estimate

NOTES AND ORDERS.

Letter No. 2267/Mug 213-06 & 3-3-14 ~~&~~ with reference to which the estimate in question has been forwarded, closes the previous correspondence on the subject dealt with in Mug. Files 213-06 and Mug 2-13 - A perusal of that corresp- Sir

discloses the following facts:—

2 In compliance with a request made to the Chief Engr in this office letter no. 90/Mug.213-06 & 8-7-10, he forwarded for sanction, with his letter no 1515 & 21-2-13, an estimate for Rs 12,541 for improving the Kalasa temple. The estimate was forwarded to the D.C. Kadur with letter no 1336 & 4-4-13 ~~and~~ with a request to him to state whether all the items of work inclu in the estimate were necessary and sufficie and what funds were available at the credit of the institution. The Dy: Comr stated in reply (letter no. 121 & 9-9-13) that as some additional works were necessary a consolidated estimate making provision therefor may be got up in the P.W.D, so that all the repairs required to the temple might be done once for all. It was also reported that a sum of Rs 89,450-2-5 was available at the credit of the Temple at the end of June, Rs 15000/ of which was invested in G. S. Securities. The Chief Engr was, accordingly, requested in this office letter no. 2267 & 3-3-14 to furnish his opinion in the matter and to send up if necessary, a consolidated estimate

It is in reply to this letter that the Chief Engr has sent up a consolidated estimate for Rs 38,128/-. This is made up of 9 different estimates for the several works to be executed and the Executive Engr's report accompanying the estimate explains in detail the several estimates.

3 It will be seen from the file Mug 280-16 that there was at the credit of the temple at the end of June 15 an invested surplus of Rs 1,47189-4-9 and an uninvested surplus of Rs 17337-1-11. As ascertained from the Comptr's office there was a minus cash balance of Rs 1992-6-7 at the end of June 16.

4 A revised estimate for Rs 30000/- for water-supply to Kalasa town having been sanctd in G.O.no. 2747-50/Mug 280-16-4, the Comptr was authorized in G.O.no. 48-50/280-16-7 dt 6-7-17 to transfer at the market rate of 97% the rupee loan paper of Rs 5000/- from the Kalasa temple to the Sri Rishya Shringeswaraswami temple at Kigga, Kopps Taluk, to enable him to meet the balance payable on account of water works and also other expenses of the institution.

5 It may be inferred from the above facts that the cost of the proposed improvements

NOTE—Contn sheet

General and Revenue Secretariat.

May File No. 165 of 1917

Serial No.

may be met out of the invested surplus of the temple. When the estimate is sanctd and communicated to the Comptr, he will propose the means for realization of cash to meet the cost of the estimate.

6. Before sanctioning the estimate, it is a point for orders as to whether it would be necessary to take the opinion of the Dy: Commr regarding the estimate.

Submd for orders.

SD 1-9-17

7. [The establishment and Tools and Plant charges at 10½ p.c. on the estimated amount of Rs 32,862/- is only Rs 3450. In the abstract estimate the above charges are calculated on the contingent amount of Rs 1643/, which seems to be unusual.]

SD 1-9-17

8 The Comptroller's office is not in a position to state the exact amount that was at the credit of the temple on 1st July 17. May the estimates be sent to the Dy Commr for opinion and to point out the exact amount that can be made available for the purposes. It is a point for consideration whether the charges on 'Estt & Tools' may not

MYSORE P. W. DEPT.

Copy of letter No. 124/Mug 2-13-1 & 18 dtd July 13 from the Secretary to the Govt of Mysore Genl and Rev departments to the Deputy Commr Kadur District-

During the Forest Councillor's tour in the Kadur District, it was observed that the following improvements were required for the Sri Kalaseshwara Swami temple at Kalasa in the Mudigere Taluk.-

(1) Covering up the open Court yard before the Ane Devaru temple.

(2) Building a long Verandah on the main entrance to the East.

(3). The planks on the first floor i.e the Anedevaru Court to be reset

(4). Improvements to Yagasale

(5) Teak rafters to be substituted under Mangalore tiles

(6) The outer wall of the Girija temple which is cracked to be repaired.

I am to request that the Deputy Commissioner will be so good as to get estimates prepared for the above works in Consultation with the Public

Department and submit them for the favour
of Government at an early date.

Highness the Maharaja of Mysore
Mazerai Department
Bangalore

Adverting to your letter no. 37/Mzy 145-17-2 dated the 4th July 1919, forwarding seven estimates and a plan, for the repairs and improvements necessary for the Sri-Kalaieswara Swami temple at Kalasa and calling for my opinion as to whether the estimates may be sanctioned, I have the honor to state that except the following two estimates which in my opinion require alterations as proposed below, the remaining

ones are suitable and may be sanctioned

(1) Estimate no 3.

Repairing Dick's Chamber, K ms. and garage to be for Rs 2932/-

In this Estimate a provision of Rs 90/- has been made for reconstructing the Compound wall with Stone and mud wherever necessary. This item of work has already been executed at a cost of Rs 74-5-4 on an estimate sanctioned by government in their order no 1835-6/Mdg 31-19-2 dated the 13th December 1919 and the measurement bill passed by me for Rs 74-5-4 and necessary orders have been issued for the payment of the amount to the Contractor. I now to therefore suggest that the said item of work which has already been executed may be omitted and the amount of the Estimate reduced from Rs 2932/- to Rs 2857/-

(2) estimate no 4

Improving Bandmasth and Durgamma temples

The estimate provides only for covering the floor with 1st class Mangalore tiles and this does not complete the repairs of the Bindumadhava temple. The temple leaks very badly and the roof stands in urgent need of repairs. It is understood that the Muzrai superintendent who visited the temple some time back, was of opinion that unless the archak living in the temple at present vacates it, its repairs in full cannot be undertaken. The amildar will be asked to make further enquiry into the matter and send up his report. In the meanwhile, I am of opinion that this temple may be left- left alone as all that will be done is only to cover the floor with Mangalore tiles and the estimate sanctioned for Rupees 538/-.

2. The roof of Ejirjamba temple is in such a bad state of repairs that it is not likely to stand another heavy season

The Estimates may be kindly sanctioned very early and the work ordered to be put in hand at once

3. The enclosures to your letter under reply are all herewith returned.

I have the honor to be,
Sir,
Your most obedient Servant

K Ramchandra
Offg Deputy Commissioner
Kanara District

SIR,

With reference to your letter No.1790/Muz. 145-17-4 dated the 30th September 1921 enquiring how the steel pipes and other materials purchased in connection with the scheme for the supply of water to Malasa have been disposed of, I have the honour to forward herewith for information a copy of letter No.357 dated 26th October last received from the Executive Engineer, Kadur Division, in the matter. They are stated to be lying undisposed of pending the submission of an alternate project

I have the honour to be,
Sir,

J.J.R.

Letter No.357 dated 26th October 1921 from the Executive Engineer, Kadur Division, to the Deputy Commissioner, Kadur District.

====

With reference to your memo No.H.C.19/19-20 dated the 24th instant regarding the cast iron pipes(not steel)purchased for Kalasa Water Works, I have the honour to state that they are still lying undisposed. The Superintending Engineer has called for a fresh alternate project for the water supply. It is under investigation and will be submitted to Superintending Engineer by the end of November. The question of pipes can only be settled after the alternate project is considered and orders passed.

Do No. 5020

Dear Sir,

I am desired to send herewith 8 estimates aggregating Rs 17635, received from the Chief Engr., for the improvement of the Sri Kalaseswaraswami Temple at Kalasa, Mudigere Taluk, and to request to be informed whether, in view of ~~the poor~~ the fact that the cash balance at the credit of the temple ~~being~~ is small

over.

the estimates may be sanctioned. On the
~~that~~ the works carried out
in the order of urgency ~~and~~
as funds permit.

Yours truly

D.O. No. HC. 19 Encl. 8 Estimates sent separately
19-20

Office of the Deputy Commissioner,
Kadur District.

Chikmagalur, Dated 22nd June 1922.

Dear Sir,

5235
M 7145-17-7 Mar. 21.22

With reference to your D.O. letter No.5030/145-17-6 dated the 16th March 1922 forwarding 8 estimates received from the Chief Engineer for the improvement of the Sri Kalaseswaraswami temple at Kalasa, Mudgere Taluk, and calling for my opinion as to whether, in view of the fact that the cash balance at the credit of the temple is small, the estimates may be sanctioned on the understanding that the works should be carried out in the order of urgency, as funds permit, I write to state that I have inspected the temples and carefully gone through the estimates. The works proposed for repairing the Sri Girijamma temple(estimate No.7 for Rs 1340/-) are very urgent as the rafters and reapers are all eaten away by white ants and if the repairs are not taken on hand immediately the building is likely to come down during this rainy season.

Next in the order of urgency come the two estimates, No.4 for improving the main temple and Ammanavaragudi at a cost of -- Rs 4100/- and No.1(a) for improving the Anedevarugudi at a cost of Rs 2770/-. In the former estimate, the works to be taken up -- immediately may be restricted to those of the nature of repairs, the items of improvement being taken up later on as funds permit. The works provided in the other estimates are not of such an urgent nature and may ~~be~~ lie over for the present.

If all the estimates are sanctioned now with the direction that some of the works be put in hand a couple of years hence when funds are made available, it may not be quite possible to execute the works then at the rates sanctioned now ~~being~~ owing to fluctuations in prices and wages. I would therefore request that Government may be pleased to sanction immediately the three estimates referred to above and as regards the others, administrative

sanction

sanction may be accorded for their being executed, as funds permit.

The 8 estimates &c., received with your D.O. letter under reply are returned herewith.

Yours sincerely,

Treasury Assistant Commissioner,
For Deputy Commissioner,
Kadur District.
(Absent from the station).

To

A.V. Ramanathan, Esq., B.A.,
Secretary to the Government
of Mysore,
Agrai Department,
(In charge)

Bangalore.
